

As most of you are aware, when APSCUF entered into this program everyone was eligible and then Verizon Wireless revised the eligibility to not include retired members. Those that had registered for the discount could continue to receive it but no enrollments would be accepted.

For those of you who currently do receive the discount and need to re-register, it is IMPORTANT that you use the UNIVERSITY EMAIL ADDRESS. IF YOU DO NOT HAVE ONE, PLEASE CONTACT NANCY KOUTRIS VIA EMAIL at nkoutris@apscuf.org.

Here is the message that has been sent out to the membership via the local APSCUF offices.

ATTENTION ALL APSCUF MEMBERS WHO CARRY VERIZON WIRELESS AND ARE RECEIVING THE 18% EMPLOYEE DISCOUNT

Verizon Wireless is conducting a census for the Commonwealth of PA. When this program began all employees were registered under one account number. Verizon Wireless is now attempting to place the employees in the proper unit by requesting users to re-register their lines.

You only have until September 1, 2010 to re-register your wireless phones lines to continue the discount, so complete the re-registration now so you do not forget.

Go to www.verizonwireless.com/paregistration - **ALL VERIZON WIRELESS PARTICIPATES MUST USE YOUR UNIVERSITY EMAIL ADDRESS WHEN RE-REGISTERING. You will be requested to check what agency you are employed by – please check university and then proceed to follow the instructions.**

The re-registration only requires your name, employers email address, zip code and wireless phone number. If you do not have a university email address, please contact Nancy Koutris (800-932-0587, ext. 3021) at the State APSCUF office.
