HERE IS A LIST OF TODAY'S NEWS ARTICLES. TO READ THE COMPLETE ARTICLE CLICK ON THE HEADLINE.

[Medical college could change Scranton's downtown](#)

The sprawling vision of officials at Commonwealth Medical College could dramatically change Scranton's landscape. The state's newest medical school could eventually occupy 20 acres downtown, including a parking garage, an eight-story building and other structures, according to documents obtained by Times-Shamrock Newspapers.... - [WB CIT. VOICE](#)

[Town is complex count](#)

Census enlists university, students to help collect data Mike Joseph STATE COLLEGE — In the end, the 2010 census coming your way in March and April is a sales pitch as well as a civic duty, and university towns like State College are typically a tough sell. "Hard to count" is the way the U.S. Census Bureau classifies... - [CENTRE DAILY](#)

[High school teacher receives honor](#)

History teacher George Daka recently won the 2009 Outstanding Teacher Award from the College of Education at Penn State University. The award recognizes a teacher who has positively affected students and the school community as a whole, according to a university spokesman.... - [BUCKS COUNTY COURIER TIMES](#)

[Pressure is on N.J. tuition proposal](#)

Backers want in-state fees for illegal immigrants this session. Unwarranted, say foes. A hearing is set today. By Adrienne Lu Inquirer Trenton Bureau For some students, the difference between in-state and out-of-state tuition is the difference between attending college and giving up the dream of... - [INQUIRER](#)

[Coddling illegals: They're kidding, right?](#)

Difficult as defining art can be, it's easy to define the latest project of some California "artists." It's felonious, because their endeavors aim to ease U.S. entry for illegal aliens. And outrageously, their "artwork" is supported by public dollars. Three "visual artists" on the University of California-San Diego faculty,... - [TRIB](#)

[Nutter to focus on increasing college admissions](#)

By Susan Snyder and Kristen A. Graham Inquirer Staff Writers In the year ahead, Mayor Nutter's administration will open an office to help more city residents to and through college, and seek from area universities up to 100 new scholarships for city students.... - [INQUIRER](#)

[Mount Pocono Penn Security being transformed into a state-of-the-art facility](#)

By Janis Dahlman Pocono Record Customers of the Penn Security Bank and Trust branch at Five Points intersection in Mount Pocono will soon have a new state-of-the-art facility in which to conduct their banking. Although the construction site dwarfs the original.... - [POCONO RECORD](#)

[Gauging the Dedication of Teacher Corps Grads](#)

By AMANDA M. FAIRBANKS Teach for America, a corps of recent college graduates who sign up to teach in some of the nation's most troubled schools, has become a campus phenomenon, drawing huge numbers of applicants willing to commit two years of their lives. But a new study has found that their dedication to improving society at... - [NY TIMES](#)

[Future of Edinboro welcome sign up in the air](#)

EDINBORO -- A sign that for years has welcomed visitors to the borough and recognized its most notable resident is noticeably absent from the local landscape. Its return remains uncertain. Rob Hitchcock, owner of the Edinboro Agway on Route 6N west of the... - [ERIE TIMES](#)

[CMU senior puts focus on food with 4th start-up](#)

Like any CEO, David Chen often had to drop what he was doing and resolve problems that arose at his company. Thing was, Chen was 12, in the sixth grade, and what he had to drop sometimes was math or science class when he'd receive a text message.... - [TRIB](#)

[Harvard Teaching Hospitals Cap Outside Pay](#)

By DUFF WILSON The owner of two research hospitals affiliated with the Harvard Medical School has imposed restrictions on outside pay for two dozen senior officials who also sit on the boards of pharmaceutical or biotechnology companies. The limits come in the wake of growing criticism of the

ties... - [NY TIMES](#)

[Relatives fear hefty investments lost in failed school](#)

Investors who gave money to two Latrobe men to start foreign medical schools may have lost investments placed with Health Education Associates Unlimited Inc. The educational investment firm promoted by Thomas M. Uhrin and Jeffrey T. Irwin is "folding up because of a lack of fiscal support," according to... - [TRIB](#)

[Reading Area Community College practical nursing graduates](#)

Reading Eagle Reading Area Community College conferred awards on the following practical nursing students who graduated in December: Tamara Velez, Reading, Application of Theory to Practice Award; Loretta Correll, Sinking Spring, Mildred Clungeon Scholarship; Tiffany Trievel, Adamstown, Frances Troutman... - [READING EAGLE](#)

[Failed medical school spoils students' dreams](#)

Mark Casey Phillips desperately wants to follow in his late father's footsteps and become a pharmacist so he can take over his family's thriving Extended Care Pharmacy in Palatka, Fla. Last summer, Phillips, 33, jumped at the prospect of a quick degree from a... - [TRIB](#)

[Colleges, universities tout their accessibility even in turbulent economy](#)

Our turbulent regional and national economy might be creating misconceptions among the public about the access and affordability of higher education. And while I represent Allegheny College and write about Allegheny, I am... - [ERIE TIMES](#)

[Holiday dysfunction](#)

"Family" is big in our deeply ethnic community of diverse origins. And it is the notion of family, for better or for worse that has shaped the region. That might explain the dysfunctional family holiday that we experienced as a result of Luke Ravenstahl's pointless saber-rattling.... - [TRIB](#)
