[Study Finds Public Discontent With Colleges](#)

Most Americans believe that colleges today operate like businesses, concerned more with their bottom line than with the educational experience of students, according to a new study. And the proportion of people who hold that view has increased to 60 percent, from 52.... - [NY TIMES](#)

[Millersville University events focus on civic engagement in education](#)

There is a positive link between young people, education and civic engagement.

[Christians, Muslims answer questions about religion at Erie college](#)

Muslims and Christians came together Tuesday at Gannon University to answer questions about Islam and Christianity. Each religion was represented by three students, who spoke before an audience of more than 30, and said the program was a way to learn about... - [ERIE TIMES](#)

[Concealed Carry student group OK'd at CCAC](#)

The Community College of Allegheny County student government approved the formation Tuesday of a chapter of the Texas-based nonprofit organization, Students for Concealed Carry on Campus, said CCAC spokesman David Hoovler. Christa Brashier, a CCAC student who is the.... - [TRIB](#)

[Pittsburgh council members drop in for campus breakfast, ideas](#)

College students were full of questions -- and pancakes -- during a meeting Tuesday morning with Pittsburgh City Council members. "How can the city retain students?" asked Charlie Shull, 21, president of the University of Pittsburgh's undergraduate Student Government Board.... - [TRIB](#)

[**College hoops playoff perfect without any more games \(2/17/10\)**](#)

The Issue: The NCAA is considering expanding its Division 1 basketball tournament to as many as 96 teams. Our Opinion: That would water down the competition in the early rounds of March madness. During the last few years more and more people have been calling for an... - [READING EAGLE](#)

[**Dad seeks to block report in son's death**](#)

A new legal battle could be brewing over a Shippensburg University student's death that already has prompted a court duel over the state's Right to Know Law. Last summer, WGAL-TV sued former Cumberland County Coroner Michael Norris, claiming Norris wouldn't release cause of death.... - [PATRIOT](#)

[**Bill would help students find pathway to college**](#)

As members of the Pennsylvania Association for College Admission Counseling, my colleagues and I are striving to raise the rate of college attendance in Pennsylvania. Currently, 62 percent of Pennsylvania high school students move on to pursue a higher education, according to the National.... - [PATRIOT](#)

[**York College hosting informational MBA session**](#)

York College plans to host an information session for its master of business administration program at 6:30 p.m. Feb. 25 in room 207 of the college's business administration building. The program's director, Eric Hostler, plans to talk about the program, its... - [YORK DAILY](#)

Daily News Update

February 17, 2010

[Is Heckling a Right?](#)

Incident at Irvine prompts debate over whether repeatedly interrupting a campus speaker is an exercise of free expression or the suppression of free expression. [more](#)

[Faculty Challenge Tenure Denial](#)

Ohio University professor denied tenure over collegiality issues was victim of a "tainted" process and should have been approved, a committee finds. [more](#)

[Slipping \(Further\) Off the Pedestal](#)

Americans increasingly recognize centrality of higher education, but believe more each day that colleges care more about bottom line than about students, survey finds. Does that matter? [more](#)

[Graduation Suffers for Science Majors](#)

Students who start college as STEM majors complete their degrees at far lower rates than do students in other fields, study finds. [more](#)

[New Programs: Engineering, Nursing, Education](#) [more](#)
