HERE IS A LIST OF TODAY'S NEWS ARTICLES. TO READ THE COMPLETE ARTICLE CLICK ON THE HEADLINE

[Pitt scientists create mesh to repel poisons](#)

Researchers at the University of Pittsburgh said Thursday they created a stretchy material that someday could be used to protect against biological and chemical weapons. In laboratory tests, the polyurethane fiber mesh effectively killed E. coli and MRSA, which are similar to.... - [TRIB](#)

[CMU's Project Olympus retains and trains future local entrepreneurs](#)

At the Project Olympus show-and-tell this week at Carnegie Mellon University, it didn't take long to see this wasn't your typical science fair. The Smart.Mirror team built a computer program that is already being used by the Charles Spiegel For Men clothing store.... - [POST-GAZ.](#)

[CMU promises 'serious' painted chicken probe](#)

A Carnegie Mellon University police detective has been assigned to help investigate the discovery on campus of nine malnourished farm chickens, some apparently spray-painted, the school said Thursday. The statement came as an upstate New York wildlife.... - [POST-GAZ.](#)

[Penn State College of Medicine seniors face their futures at residency match day in Hershey](#)

The swank Hershey Country Club ballroom was really just a large medical waiting room this afternoon. Assembled inside were the 147 soon-to-be-doctors of Penn State University's College of

Medicine nervously awaiting the news of which hospitals and health.... - [PATRIOT](#)

[South American tribes' blood frozen in limbo at Penn State](#)

Ken Weiss is fed up with the decades-old blood samples crowding his freezer. The Penn State University anthropology professor did not collect them, does not study them and has no research plans for them. Yet, whenever a batch of letters comes rolling in — as they do.... - [TRIB](#)

[Cruelty charges eyed in Carnegie Mellon University painted hens prank](#)

Those responsible for painting seven of nine hens found wandering around the Carnegie Mellon University's campus in Oakland could face up to \$750 in fines and 90 days in jail for animal cruelty, an official with the Western Pennsylvania Humane Society said Thursday.... - [TRIB](#)

[Westmoreland County Community College culinary team devours competition](#)

A team of five students from Westmoreland County Community College won the championship at the Baron H. Galand Culinary Knowledge Bowl, a "Jeopardy"-style competition pitting them against nine other teams from five states. The team went undefeated in four rounds of.... - [TRIB](#)

[Boomerang effect is a trend for U.S. families](#)

By Moriah Balingit, Pittsburgh Post-Gazette In Pittsburgh, the term "boomerang" refers to someone who left the city after college but whose deep affection for it draws them back. For sociologists, the term refers to an increasingly common phenomenon of men and women over the age of 25 moving.... - [POST-GAZ.](#)

Daily News Update

March 19, 2010

Revamped Aid Bill on Track

Compromise legislation, clearing several key hurdles, would provide billions for Pell Grants, minority institutions -- and, in a late reversal, community colleges. [more](#)

Capital City Rumble

Years of political infighting between unions, lawmakers and system leaders come to a head at California State, and Sacramento is a particular hot spot. [more](#)

When Writing Class Moves Online

Composition association finds that colleges are just beginning to consider implications of shifting key part of the curriculum away from face-to-face instruction. [more](#)

'On Fact and Fraud'

Author of new book discusses scientific ethics and what constitutes research fraud. [more](#)
