[West Chester, WCU team up on sustainability task force](#)

WEST CHESTER — On the 40th anniversary of Earth Day, West Chester University and the borough announced that they are forming a joint sustainability task force to look at ways the two can work together to create a more environmentally sustainable future.

[Butler County Community College working to get back on track](#)

Now that the dispute over a \$1.23 million county allocation to Butler County Community College is in the courts, college officials are hoping for a quick resolution so they can pay the bills. College President Nick Neupauer told the school's board of trustees... - [TRIB](#)

[Police raid at JMU is an affront to the First Amendment](#)

POLICE, PROSECUTORS and citizens in the vicinity of Virginia's James Madison University had every reason to be angry about, and seek justice for, the violence that turned an annual spring bacchanalia this month into a blood-stained melee resulting in dozens of.... - [WASH. POST](#)

[Duquesne U. plans to open Hill District pharmacy](#)

Duquesne University plans to open a pharmacy in the Hill District by the end of the year, creating a much-needed service that the community has lacked for a decade, officials said Wednesday. The

pharmacy would be the first in the neighborhood since an.... - [POST-GAZ.](#)

[Paul Volcker offers sobering but optimistic worldview to Kutztown University audience](#)

Paul A. Volcker is optimistic that America can still play a leadership role in the world, but he insists it will be a lot more challenging than in the past. The 82-year-old chairman of President Barack Obama's Economic Recovery Advisory Board gave a sobering vision.... - [READING EAGLE](#)
